## **ARIES - Mar 21/Apr 20**

Aries, burning the candle at both ends is not something you want to do at this point in time. Pick one direction and go with it rather than going in many directions.

## **TAURUS - Apr 21/May 21**

Share a smile and see what comes of it, Taurus. It can't hurt, right? Someone relies on your generosity this week even when you're not feeling up to the task.

## **GEMINI - May 22/June 21**

A brave idea will have tongues wagging, Gemini. But you can take it. Just prove this journey is worth your while. Love knows no bounds on Thursday.

## **CANCER - June 22/July 22**

Cancer, remarkable things happen when you widen your perspective. Embrace this new outlook because you may not have this clarity again soon.

## **LEO - July 23/Aug 23**

Leo, there's so much others don't know about you. The joy lies in them trying to find it out. A special relationship comes to fruition this week, which is worth the wait.

## **VIRGO - Aug 24/Sept 22**

Many surprises are in store for you, Virgo. Some may end up being bittersweet. Enjoy whatever you can in the weeks to come, because there's a shift looming ahead.

## **LIBRA - Sept 23/Oct 23**

Libra, a special someone wants to dote on you left and right. It's alright to be fawned upon once in a while, but don't make it a habit or expect it at every turn.

## **SCORPIO - Oct 24/Nov 22**

You want something for the wrong reasons, Scorpio, and that's why it has been just out of your grasp. Change your tune and your situation may change as well.

There's so much to say to someone close to you but you find yourself tongue-tied, Sagittarius. That's not often the case with you, so it catches you off guard.

Capricorn, change your perception of someone and you will find you can start a great friendship. You'll just have to be open-minded and then wait and see.

## **AQUARIUS - Jan 21/Feb 18**
